

Wishing you a Happy Holiday, Merry Christmas and Blessed New Year

FUN ACTIVITY FOR EVERYONE

Each month we will feature an activity, puzzle, game, or recipe. Arion's hope is to help bring our families and providers together and create memorable moments to be shared and enjoyed by all.

NEW YEARS CRAFT:

Create your own fireworks picture by using dark construction paper, glue and different colors of glitter. These fireworks pictures are great decorations for New Year.

You will need: Black construction paper, Glitter, White glue.

FACES OF ARION

We often get such wonderful feedback from support coordinators as well as parents regarding how blessed they have been by their habilitation or respite provider.

We would like to feature a provider each month in our "Faces of Arion" segment. Parents, if you have a provider who has gone above and beyond the call of duty and has made a positive difference in the life of your loved one we would love to hear from you.

Please contact Sonia at sdykuizen@arioncaresolutions.com for more information.

Service dog gives "HOPE"

In September, Luke Van Alstine, acquired an Autism Service Dog from Arizona Golden, a company that raises, trains, and places highly trained service dogs with adults and children with disabilities. Luke and Hope, his golden retriever, are highlighted in a video at this link:

Roxann, Luke's mom, is featured prominently in Part 3 of the video. Roxann shares her experiences and observations as she brings Luke and Hope together in their home and on the go. Her story, as well as those of the other parents, are very moving and inspiring!
