

Faces of Arion

Monthly Shout Out

Please tell us about your family. We are a family of 4 humans and 3 pets. Ryne, Wendi, Eris (daughter age 12), Clio (daughter age 9), Punky (poodle age 12), Violet (cat age 1 ½) and a goldfish.

What areas of Arizona do you service?

We are contracted to serve all of Arizona, and have families all over the state.

How many families and employees does Arion have now as compared to year one?

Oh my goodness, that is a hard question. We started out with 10 families, and we have over 1800 clients and about 2,000 employees now

Contact Sonia at sdykhuizen@arioncaresolutions.com to nominate your favorite provider. Recipient will receive a \$50 gift card.

Megan Berry is a certified lifesaving habilitator and respite provider! My son absolutely loves her, and has since day one. She is dependable, caring, hard working and always smiling. I trust her 100% and know she will always help whenever she can, even if it is a last minute emergency request. Since she started working with our son almost two years ago, she has been open to learning new things, and working with his other therapists to be able to follow through on his therapy goals through t the week. The time she spends with him is always productive, and he enjoys every minute of it. We love how she challenges him, but is his friend at the same time. Megan is respectful of our son, and truly seems like she has been a part of our family for a long time. We sure hope she will be! Nominated by Collin Butterworth and his family - Chris, Cheryl & Jason

Meet the Reed's

CPR/First Aid Training

What have been the greatest changes that you have noticed since when Arion first opened its doors?

For our first five years or so the company doubled (or even quadrupled) in size every year. We have been very fortunate to have administrative teams that constantly focus on improving our systems. Now that we have a handle on most of those challenges we continue to try and deal with the changing political and business situation. The budget cuts and service reductions have been very hard on our families and the company. I am always very grateful to the people who have stuck with us through the years.

If you look 10 years down the road from now, what would be your dreams for this company? If we can maintain quality and a high standard of customer service, we would like to see the company quadruple in size again. We see growth as a validation of our business model and mission statement. I think in business, people vote with their feet. ☺

We offer three FA/CPR locations for your convenience.

Option 1: Chandler office is located at 3738 W Commonwealth Ave, Suite 20, Chandler, AZ 85226. Contact Kay for scheduling at kball@arioncaresolutions.com or 480-722-1300.

Option 2: North Valley office is located at Crossroads Christian Fellowship. The address is 42425 N New River Rd, Phoenix, AZ 85086. Contact Roxann at rvalastine@arioncaresolutions.com or 623-640-9505 to schedule. Classes are held Saturday afternoons.

Option 3: Heartsavers- they offer classes all over the valley. Call 480-998-5193 for more information.
